16" x 24" | 40 x 60cm  
20" x 20" | 50 x 50cm  
20" x 24" | 50 x 60cm  
24" x 24" | 60 x 60cm

SAFE PRINT AREA

### Minimum shorter side size: 3500px\*, 300dpi

Fill the entire print file size area but keep all important objects within the dashed line (safe print area).

\*Your artwork can be oriented vertically or horizontally. Just rotate the template.

### Requirements

-  All print files must be saved in **.PNG** format.
-  All colours must be in **RGB** color scheme.
-  All raster graphics should be at least **150 dpi**.

### Instructions

- 1** Open the Podbase **Poster** template.
- 2** Place your artwork on the template and make sure that it fills the entire print area.
- 3** Save your print file. Go to **File - Save As**, choose the location and name of your file. Choose **.PNG** format.
